Game Designer, Programmer and Producer for a Survivor-like project (TBA)

PERSONALITY

Character

I am a calm and introverted person, but I have no difficulty working in a team. I consider myself thoughtful and curious. I'm organized and reliable when it comes to work.

Interests

Besides music, I also enjoy sports. I've practiced various disciplines, from skiing to swimming, volleyball to figure skating. I believe it's important to take care of both your education and your body.

Ambitions

Since I was a child, I've loved drawing and colors. Over time, my passion for films, cartoons, and video games has grown. Although my academic path led me to study music and scientific subjects, combining my studies with my interests, I see myself working in the video game industry in the future.

OTHER SKILLS

Driving

I obtained my category B driving license on October 21, 2020, and I own a car.

English

On March 18, 2023, I passed the IELTS Academic exam with a score of 7.5 (C1 level).

Japanese

On December 1, 2024, I passed the JLPT (Japanese-Language Proficiency Test) N5 level.
